The Golden Light

IN **G**OD I SEEK REFUGE FROM
SATAN, THE CURSED ONE

IN THE NAME OF **G**OD,
THE **M**ERCIFUL,
THE COMPASSIONATE **O**NE

Everyday a question to purify your mind

What could you desire more in your life than seeing **G**od?

#1

What in the world could be more intelligent than the Holy Quran, an unchanged Book **G**od authored Himself? What else could have been created in His Image?

#2

Is any other Book in this world narrated by **G**od in the first Person like the holy, unchanged Quran?

#3

Why did **G**od reveal the holy, unchanged Quran if Jesus saved us already?

#4

Did our **L**ord not reveal the holy, unchanged Quran because the Bible and the not-so-biblical New Testament, thus the Jews and the Christians became too crooked in what their creeds allow them? Glory to the exalted **O**ne, do they not corrupt in **G**od's blessed Name?

#5

Does the Flood which came to Noah not teach us that mankind made a mistake? Glory to the exalted **O**ne, how can the Torah suggest that **G**od made a mistake, the mistake of creating us, if it is still a Book from Him?

#6

If **G**od is made of flesh, where does His Light come from? Would the evolution theory even exist without His Light? How much do you remember Him if you neglect to ask yourself obvious questions about Him, blindly believing in the implausible gods of the mainstream instead? Will **G**od save you if you neglect to remember Him?

#7

Could the unimaginable Body of **G**od resemble anything in the "Heavens" or on "earth" or in the "waters" or under "earth," such as the Holy Spirit, Jesus, poseidon or hades? What about the Second Commandment could be too complicated for Christians? Yet was it not the same Jesus they worship who taught them these Commandments?

#8

If God is made of flesh, where does His almighty Power come from?

#9

Are we not compatible with **G**od rather than created in His Image, capable of understanding His healing Commands? Yet are our bodies compatible with His Spirit in us? Does our weakness not force us to submit to Him? Or who among us is able to act according to his own thoughts? Is **G**od not the only **O**ne able to act according to His Wishes, to each of them? Though, would you miss anything once you gained His Favor on Judgment Day?

#10

Was not the number one created in **G**od's Image? Do not the silhouettes of some of us look like a one? And do the silhouettes of the obese not look like a zero? Yet is obesity not forbidden in Sura Al Araf, The Heights, 7:31?

#11

Was **G**od alone before He created the Angels and the genies and all that exists?

#12

What could be the explanation for a dead environment creating all life exactly in pairs? Can you teach water, wind, earth and fire to count? Is **G**od not the only **O**ne Who can and is His Will not closer to explaining life than science? Is science not too politicized to deliver Answers at this level?

#13

Is someone who rests almighty? Glory to the exalted **O**ne, does Sura Qaph 50:38 not deny that **G**od became tired from creating the worlds in six days? And is the Holy Quran, unlike the books of the Bible, not unchanged and authored by **J**ehovah Himself?

#14

When will **G**od be tired of repeating the same Message to us over and over again?

#15

Are sunnites, shiites and sufis, who are unable to believe without Muhammad's alleged hadiths and for whom **A**llah is apparently not sufficient, really Muslims —submissive? How are they different from Christians?

#16

Would the Angels and the animals ever disappoint their **M**aker like the rest of His Creation? Would He ever choose loneliness over us?

#17

Are the Angels gentle like women to be depicted as such? Are Angels not stern Jihadis giving all they are and all they have in **G**od's Way?

#18

Does the public not replace love with perversion?

#19

Why did **G**od create the animals sensitive to pain, dying and leaving back families like us, if He wanted us to relish meat?

#20

How can the police fail to protect the animals? Does man's law not serve money rather than Justice, those who pay their wage?

#21

Are cars safe? How can man allow the pain they cause? Is it worth it?

#22

Are Angels allowed to possess?

#23

Could an Angel or a man, the Holy Spirit or the Messiah ever give us more than **G**od?

#24

Does even one religion exist that would welcome living Messengers or could allow itself to ignore them?

#25

How can people choose one Prophet when **G**od gave us the names of dozens?

#26

Why did **G**od not allow Jesus to be crucified and save him like He saved Abraham from the fire, Jonah from the belly of the fish and Joseph from the well?

#27

Would Christians choose atheism without Jesus? Is the Messiah not a condition for them to accept **G**od? Glory to the exalted **O**ne, is the **A**lmighty not better than this?

#28

Would you need a roof in Paradise? A map? Streets?

#29

Would the Jews and the Christians embrace the holy, unchanged Quran if it were narrational like their Torah and their New Testament, written like a story instead of a **K**ing's Speech? Yet should you allow the text genre to decide your destiny? Should it keep you from serving your **L**ord?

If Moses' name is mentioned most in the holy, unchanged Quran, would he be **G**od's favorite Creation?

#31

Glory to the exalted **O**ne, would one need to read the holy, unchanged Quran with a pinch of salt as it is the case with the Bible, in which it is claimed that Jacob wrestled with almighty **J**ehovah, or that **J**ehovah ate from Abraham's roast calf, or that the sorcerers of pharaoh performed Miracles similar to those of **J**ehovah, or that Moses saw Him from behind?

#32

When so many people choose to die for their unseen **G**od, does it not prove their Book? How many religions can prove the faith of their believers? How many pretending believers use their religions merely to socialize?

#33

Does God's very own Quran call us His "Children" or His "Slaves?"

#34

Does the crucifix necklace not honor Jesus' enemies? How many Christians would choose his life over their sins? How can they claim they love him when they use him? Does a Christian not rather believe in desire than in Truth and Justice? Does he not refuse to take responsibility for his life? Yet did **G**od not spare Jesus from the pain and humiliation on the cross according to the holy, unchanged Quran?

#35

What is the difference between the pharaoh, who denied Moses' Miracles, and the Jews, who deny Jesus'? What is the difference between the Jews who deny Jesus' Prophecy and the Christians who deny Muhammad's? Would they not crucify him if they could?

#36

Did Jesus write the New Testament? Or maybe another Prophet? Does a Christian even know the difference between Prophet and apostle? Is writing about a Prophet the same as writing by a Prophet? Could the New Testament thus be as trustworthy as the holy, unchanged Quran? And did the Torah not become so redacted by priests, who rejected **G**od's healing Message, as to no longer remain the Book of Moses?

#37

What is more credible: one Book revealed to a Prophet or four narrated by none? How can Christians choose to believe Jesus died in agony and humiliation? Is it not because he would have died for them? Do they really love the Messiah?

#38

By calling a man **G**od, is a Christian not a supremacist who must at all costs be different from the rest? Does the idol of Jesus not unite white and black racists against believers who worship Someone Who would not die for them? What is the most racist religion in the world? Glory to the exalted **O**ne, do Christians believe they are better than **G**od when they refuse to prostrate before Him and tyrannize the ones who do?

#39

Is **G**od too complicated for animals? And for man, who tends to worship idols resembling himself instead of the **A**lmighty?

#40

When **G**od is **O**ne, how can He be the Father of Jesus? Is a father not the other half of a mother?

#41

Did not **G**od invent the father and the son, parents and children? How could His Inventions be applied to Him without denying Him?

#42

If Jesus was really God or His son, why did he not make more Miracles?

#43

Would sunnites, shiites and sufis be obsessed with Muhammad if Christians were not obsessed with Jesus? Yet does a Muslim idolize anyone? How would you idolize Someone unseen?

#44

Is the christian trinity anything more than another polytheism, or in other words, unforgivable according to Ayah An-Nisa, The Women, 4:116 and the Second and Third Commandments?

#45

Are trinity and Christianity really the same? Where does Jesus mention three gods? Did he not preach **G**od's Ten Commandments?

#46

Does "trinus," the root of "trinity," mean "one" or "three?" And "monos," the root of "Monotheism," does it mean "three" or "one?" What about "polys," the root of "polytheism?" Does it not mean "many?" What does this make of Christianity? Would Christians really worship three different names if they honestly believed that these were merely different manifestations of the same **G**od? Would they really behave so absurdly?

#47

Is trinity not equal to polytheism? Is three not more than one?

#48

For a species able to adapt to everything, how can adapting to something purely good be that difficult? What else on earth is straight like the holy, unchanged Quran?

#49

If Jesus could be a **G**od, why not anyone? Was the Messiah without sin? Did he not ask who was without sin? And was anyone pure enough to cast the stone? Is the Most **G**racious not the only **O**ne without need, thus worthy of worship?

#50

Did the apostles not pay for their lies? Did they not doom the Christians in the end, all these narcissists who believe that their **M**aker would serve them His alleged legacy on a silver platter? And does the eternal **O**ne leave a legacy?

#51

If evolution created life out of nothing, how can it fail in adapting to other planets? Did in reality not Someone initiate Creation? Is obviously not Someone behind nature, creating what, when, where and how much He wills —as written in the scriptures?

#52

Could heat alone create rocks, earth, water, plants or flesh from nothing? How does a scientist explain planets? And does a newborn not carry a similar measure of water to our earth: about seventy percent? Is this not another Sign pointing to **G**od's Creation of us from earth? Is this not more Evidence than any other narration will ever provide?

#53

Is **G**od a Pacifist or the **J**udge, is He a Pragmatist or the **K**ing?

#54

Can **A**llah not choose whomever He wants to enter His eternal Gardens? Is this not why He showed us the straight Path in the holy, unchanged Quran?

#55

Is Christianity the seal of religions? Would Islam exist if Christians had not failed at being "Muslims," which means "Submissives" in Arabic? While **G**od gave us a clear picture of a Muslim, did He ever instruct the Christians? And while we can disqualify the sunnites, shiites and sufis from Islam for prostrating before the Prophet alongside **A**llah, can we disqualify the trinitarians from Christianity? Yet should we not disqualify them?

#56

Would Jews deny **J**ehovah if they worshiped Him appropriately according to the state of art: purified with ablutions, prostrations and Prayers which have remained unchanged since Revelation —Prayers reciting Him? And would Christians deny Him Whom they call Father if they would worship **A**llah, alias **E**loah from the Bible? Would they hurt the Holy Spirit, Mary or the Messiah if they stopped worshiping them? Are they not hurting themselves by rejecting Monotheism according to **G**od's Warning in Sura Al Kahf, The Cave, 18:102?

#57

Is missionizing wanted by **G**od? Why should people worship others instead of exclusively Him, and why should they worship Him sparser than a Muslim does: five times a day, purified and with prostrations —the way He teaches in the holy, unchanged Quran and nowhere else? Would Christians not misguide the whole world if they could?

#58

Could not anyone invent rulings in the Messenger's name now that he is dead? Is this not why **G**od rejects anything mingling with Truth, any other hadith for Muslims beside the holy and unchanged quranic Hadiths in the Ayahs: Al Araf, The Heights, 7:185; Al Mursalat, The Sent Ones, 77:50; Al Qalam, The Pen, 68:36-38; Al Anam, The Cattle, 6:82 and 153; Al Jathiyah, The Kneeling One, 45:6; and Al Jinn, The Genies, 72:21?

#59

Glory to the exalted **O**ne, will sunnites, shiites and sufis be accepted by the almighty **C**reator of Paradise, the **O**ne Whose Power to reign without Muhammad's alleged sunnah they deny? Is their ascribing not unforgivable according to Sura An-Nisa, The Women, 4:116, furthermore the Third Commandment, or the ascribing of the Christians, who deny His Authority over our Judgment, claiming that Jesus would judge us instead of our **M**aker?

#60

Is faith in **G**od's Promise and Warnings in the holy, unchanged Quran not more precious than health, family, women and anything else?

#61

Is Jesus or **G**od the **L**ord of the Christians? Can a slave have "two masters?"

#62

Who is **G**od to you if you call Jesus **L**ord? Can a slave have "two masters?" Did Jesus not preach to worship **G**od as "my **L**ord and your **L**ord" in the holy, unchanged Quran? Did he not praise the "**L**ord of Heaven and Earth" in the New Testament? Is the Messiah not clear enough in explaining Who the **L**ord is? How can Christians still idolize a man considering **G**od's Warnings in any of the scriptures and even the Ten Commandments the Messiah preached? How can they call **G**od Father if they do not mean it?

#63

Does the way man treats the holy, unchanged Quran not divide us? Do you not need faith to accept **A**llah's Rectitude?

#64

What is the number of Muslims in the world when we subtract all sunnites, shiites and sufis, who mingle **G**od's Path from the holy, unchanged Quran with fake hadiths and sunnah attributed to the Prophet, who are too faithless to trust in the unseen **L**ord yet faithful enough to trust in His Messenger, who do not seek Submission yet rather the nostalgia of a bedouin lifestyle? What is the number of Quranists in the world?

#65

Does Sura Al Jinn, The Genies, 72:18 not forbid calling anyone beside **G**od from His Mosques? Who is Muhammad Rasulullah to be called in the call for prayer?

#66

When even satan believes in the Sovereignty of **G**od, how cannot sunnites, shiites, sufis and Christians? How can they oppose Muslims and Jews while their own scriptures affirm them?

#67

How can Jews, sunnites, shiites, sufis, Christians, Hindus and Buddhists choose another man's word over **G**od's unchanged Word in the Holy Quran? Are they not curious? Why do they not read His genuine Book before they deny it?

#68

Is the Holy Quran not the only Scripture where **G**od Himself claims its Authorship, where He challenges us to produce similar Verses? Could such a Book ever be changed? Where in the Torah, the Bible, the not-so-biblical New Testament, the fake hadiths of Muhammad, the Vedas or the Pali Canon does He claim to be the Author as He does in the Ayahs Al Baqarah, The Cow, 2:23; An-Nisa, The Women, 4:82; Yunus, Jonah, 10:38; Hud 11:13; Al Isra, The Night Journey, 17:88; and At-Talaq, The Divorce, 65:11? Is writing down the Words He once spoke the same as writing the Words He is dictating, for which He miraculously made the illiterate Messenger write? Is this not the difference between a report and authorship? Does it not make a difference? Glory to the exalted **O**ne, would **J**ehovah ever compare Himself with grooms, mothers and women in labor, as found in the impious books of Isaiah and Jeremiah? And how come Damascus still exists? Did not Isaiah prophesy that it would cease?

#69

Where can I find the Gospel of Jesus if I believe not in the idolatrous gospels of Matthew, Mark, Luke and John? Are his pure Allegories not the only Narratives in the New Testament that do not contradict **G**od's other Messengers and Prophets? Or how would you corrupt an allegory without ruining it?

#70

What would **G**od's Gospel look like? Would it not be exactly like the holy, unchanged Quran, which carries His guiding Signature, for example in Sura Yunus, Jonah, 10:37? Is there any other Book signed by Him Himself?

#71

What is the difference between Asian Christians bringing back their mythology of man-gods and Western Christians bringing back roman mythology of humanized gods? Can any of these be considered "Abrahamic?" Would Caucasians and Asians have adapted Jesus' monotheistic Teachings to their folklore if they accepted the almighty **G**od of a semitic desert tribe? Did the romans not worship a trinity like hellenic, celtic and germanic pagans, as Christians and Hindus do today? Did the Christians not keep their holidays and weekday names, months and planets, which are named for their false gods? And do they not welcome the new year on the polytheists' day instead of **G**od's determined Day in the Bible? Then do they not celebrate Jesus' birthday on the pagans' day of solstice instead of the revealed date season?

#72

Polytheistic and idolatrous as it is, can Christianity be an Abrahamic Religion?

#73

If Christianity can be an Abrahamic Religion, why not a polytheism like Hinduism?

#74

How can the press call disfigured, transgendered men women? Are women unsightly?

#75

Will the transgendered ever be able to develop egg cells and give birth? Will they ever be able to impregnate themselves? How much humanity is in someone who denies the opposite gender? Yet does an animal deny its opposite?

#76

Are women-denying societies like homosexuals and christian priests safe enough for the public? Do these not account for a bulk of pedophilia, rapes and infectious diseases? And does an antisemite have any scruples about other ethnicities, or a chauvinist about rape? Can the east and the west afford to tolerate the fake hadiths of Muhammad as cultural heritage, which encourage all this hate? What do sunnite and shiite refugees teach us over and over again?

#77

While **G**od references the age of marriage to maturing and Rationality in Sura An-Nisa, The Women, 4:6, forbids a man to marry his daughter, step daughter and niece in Verse 4:23, and provides Rules to prevent the children and teens of the household from catching the adults naked in Sura An-Nur, The Light, 24:58-59, where do other scriptures protect children from obscenity and pedophilia?

#78

How far could satan, a Witness of **G**od, go in his enmity to His Work? Does man not go further?

#79

Is it appropriate to use the terms "humanizing" for good acts and "demonizing" for evil? Which Creation is more destructive?

#80

If genies are demons for humans, then what are humans for animals? Who is more cruel? Does **G**od's Permission to eat them allow us to exploit, abuse and torture them? And does **G**od not forgive whom He wills in the end?

#81

Are Ar-**R**ahman and **B**rahman the Names of **G**od the **M**erciful in Islam and Hinduism?

#82

Are Ar-**R**ahman, El Maleh **R**ahamim, **B**rahman and **B**rahma the Names of **G**od the **M**erciful in Islam, Judaism, Hinduism and Buddhism?

#83

Did **G**od ever introduce Himself to Christianity the way He did when He founded Judaism and Islam? Did He ever introduce Himself with a Latin or Greek Name? Is "father" not a noun describing our mortality, a noun that stands not alone, whose other half is "mother?" Glory to the exalted **O**ne, is it appropriate to call the **A**lmighty this way?

#84

Is not "Nazarene" the right expression for "Christian," the name **G**od Himself uses for Jesus' followers in the holy, unchanged Quran, using Jesus' own language? And is it not the only name our **L**ord uses in any scripture for them?

#85

Is it not disgusting how thousands of churches can differ in doing something wrong?

#86

Is it not comforting to know that the religion split into the most sects is at the same time the most abandoned religion in the world?

#87

With no revealed christian law, and with the rejection of the Laws of the Torah and the holy, unchanged Quran, what could orthodox Christianity be orthodox about?

#88

Can we read the unchanged Word of **G**od in the Torah, the Bible, the not-so-biblical New Testament, the Vedas or the Pali Canon? Is the Holy Quran not the only unchanged Word of **G**od on earth?

#89

Should a holy Site like Mount Sinai not be protected like the Kaaba? Is this not why **G**od erased all traces of its true location? What would tourists not do at a holy Site as large as a mountain?

#90

Are Jews the only ones who only "believe in some" of their book? Are Christians the only ones who "forgot a portion" of it? Does believing in snippets of the Holy Quran really make a Muslim of you? Are the five pillars not snippets as well? And are these sufficient to prevent sunnites, shiites and sufis from prostrating before the Prophet? Yet is someone who prostrates himself before a man a Muslim? Is a Muslim, who obeys the complete holy and unchanged Quran, not immune to idolatry? And while **A**llah Himself introduced the Ten Commandments in the Torah, where did He introduce the five pillars, which command that which He does not forgive: ritual association with Him?

#91

Can you claim to be a Muslim if you reduce your faith to five pillars? Are sunnites, shiites and sufis able to make a Covenant with merely these, swearing in the name of the Prophet instead of **G**od's alone? Yet does Sura An-Nisa, The Women, 4:116 not forbid ascribing partners to our **L**ord, and are His one hundred fourteen Suras not the only Pillars Islam could be reduced to? And are the Ten Commandments, which explicitly forbid bowing to any other beside **A**llah, not more appropriate to summarize Islam than these five, which call the Prophet's name for worship?

#92

Is Palestine not Evidence enough of **A**llah rejecting the sunnite sect? What does the holy, unchanged Quran teach about losers and those whom He helps gain Victory?

#93

Is it islamic to deny the Bible: that **A**llah gave the lands from the Nile to the Euphrates, including Palestine and Gaza, to Israel? Is it not faithless and antisemitic?

#94

What makes China better in the eyes of sunnites, shiites and sufis than Israel? Are Palestinians better than Uyghurs? Does Israel forbid Islam or China?

#95

Are clerics successful ambassadors of religion? Do they make you read scripture? Do they not turn you off if you are already turned away from religion? Yet do they not ignore scripture, and would you not love **G**od's true Message? And with rising education, are those rabbis, imams and priests still needed? How many of them are sacrificing and making offerings to their **L**ord, or healing the sick as defined in the Bible? What do we need them for when we can have **G**od's very own, clear and unchanged Word in the Holy Quran? Does a cleric admit you into Eden or **G**od? And does the final Book not abolish clergy upon over a thousand years of miseducation? Are public officials, close ones, witnesses or morticians not sufficient for a marriage or funeral? Where does our **L**ord demand clerics for these, and where does He demand baptism?

#96

If Jesus was **G**od, whom did he worship? Did he worship himself? Is Jesus not called Messiah, Messenger and Prophet because he is not **G**od? Did he not worship **A**llah exclusively, alias **J**ehovah, like his mother and his ancestors we read about in the holy, unchanged Quran and the Bible? Do Christians really follow him when they deny the unequalled **G**od he teaches in his Allegories and worship him as well? Is Jesus, for Christians, until today, not another helplessly humanized **G**od, just as the pharaoh was long ago?

#97

Glory to the exalted **O**ne, does even one Hindu exist who is grateful enough to his **M**aker to worship exclusively Him, to treat Him the way He deserves? Does "Islam" mean something else in Arabic?

#98

Are the tasks of yama —death—, skanda —war— and vishnu — sustenance of the world— not the tasks of the Angels? How can Indians call them gods? Did **B**rahma not create them all according to their canons? What is the **C**reator to Hindus when they call Creations gods?

#99

Which of the three do trinitarians obey? Is it surprising that Christians and Hindus are impious and lawless, accusing Islam of radicalism?

#100

Since dharmic religions have no known Prophets or Messengers, could Angels have written the **G**od-fearing, clean Versions of the Vedas and the Pali Canon, if these existed at all? Yet does mara, the "evil one," not warn buddha against denying "the **C**onqueror, the **U**nconquered, the All-**S**eeing, All-**P**owerful, the Sovereign **L**ord, the **M**aker, **C**reator, **C**hief, **A**ppointer and **R**uler, **F**ather of all that have been and shall be" in the **B**rahmanimantanika sutta, The **B**rahma Invitation, MN 49?

#101

In spite of representing roughly one seventh of the world's population, is Hinduism serious enough to become the state religion of more than one nation, a religion independent from patriotism, like the world religions? Is its polytheism as reasonable as the two revealed Religions, Islam and Judaism, to find equal Guidance in it? Will you ever meet two Hindus in the world whose gods they vainly believe in would match?

#102

Do you have the right to call yourself a Muslim, Jew, Christian, Hindu or Buddhist if you do not read your canon, if you do not know what you believe in? Are you not a pretender in that case? And how many Buddhists read the Pali Canon, all forty of its books? Do they not rather believe in proverbs with buddha's name attached, regardless of whether these were taken from his canon or not? Do these proverbs not come without verse numbers?

#103

Could paganism be more than populism? Is this not the success story of Christianity: the much desired yet unscriptural faith where only Jesus would be responsible for our sins? And where do the holy, unchanged Quran and the Old Testament —the only scriptures written down by Messengers and Prophets— mention the so-called "original sin?" Is it not in reality just another of the many baseless inventions of Christianity?

#104

How is Christianity, a paganism that misappropriates holy Names, different from the hindu, buddhist, hellenic, roman and pharaonic paganisms that venerate fantasy names? Glory to the exalted **O**ne, are you allowed to take **G**od's holy Name in "vain?"

#105

Does any revealed Canon idolize like the New Testament, calling a man **G**od? Yet do the holy, unchanged Quran and the Old Testament not forbid idols? How much of this book could be revealed? Are Jesus' pure Allegories not the only Narratives in the christian canon that are sincere to **G**od, and thus the only Verses allowing one to draw a line between Revelation and miseducation?

#106

Did Jesus not rest on saturdays? How faithful is observing the Sabbath on sundays, a day not chosen by **G**od? How faithful is ignorance of the Fourth Commandment? Does Jesus' Allegory of the seed not describe those who allow themselves to be misguided onto paths other than their scripture, and those who hold on to their scripture; those who demand Evidence for their faith, and those who give in to peer pressure; those who ignore, and those who reason —and thus fall on the "good ground" yielding a "hundredfold?"

#107

Is it not astonishing how paganism is capable of disguising itself, even today, in the era of education, despite the scriptures that explain and warn, namely behind crucifixes and names close to **G**od? Yet does being close to **G**od excuse idolatry?

#108

Did the **L**ord demand of Abraham that he crucify his son when He tested his obedience? Where does **J**ehovah teach to punish, defile, torture and humiliate the Sacrifice? Does He not instruct that it be kept purified, unblemished and unwounded in the Torah? Then does He not reject human sacrifices in the same book? Would our faultless **G**od ever disregard the high Standard He demands of others? And are we not the ones to sacrifice to Him? Glory to the exalted **O**ne, why would He sacrifice to us, His son, if one existed? Could there be anything the **A**lmighty needs to apologize or be grateful for? Will Christians ever fear Him?

#109

Glory to the exalted **O**ne, are the undemanding customs of Christianity not an excuse to refrain from toiling for **G**od? Are wearing a crucifix, eating bread and drinking wine the same as prostrating during the islamic prayer and starving for a whole month?

#110

Is a telescope a time machine? Did the researchers of CERN not fail in their heartless search for the so-called "**G**od Particle?" What is their difference from the pharaoh, who asked for a tower reaching heaven to see **A**llah? Do they have more Evidence than him for their denial? Do they not use the same argument as him —"I show you not except what I see, nor I guide you except to the way of good sense?" And did **A**llah's Word ever lose its relevance? Glory to the exalted **O**ne, is it really from a medieval book?

#111

How abundant are the artificial rains created by man? Why would they not stop famine and the increasing wildfires?

#112

Do fish feel pain from the toxins and heavy metals they are forced to consume in the polluted oceans? And is groundwater still halal or kosher? Can groundwater today be clean enough for a dignified life? Is it wise to forgo clean mountain water for polluted groundwater?

#113

As long as it repeats itself, is a thing not empirically proven —even when we least expect it— such as Miracles?

#114

Who is mother nature? Is not nature the idol of science? Or is the passionate dedication of discoveries and rockets to hellenic and roman idols merely a coincidence?

#115

Is the trinitarian faith serious enough to even be considered a theory? While scientists evaluate evidence against **G**od, would any scientist ask for evidence against the trinity or a man-god? Do Christians accomplish more than caricaturing religion? And does the Big-Bang Theory teach about a monster, as babylonian myth does, or a creature becoming the sun and the moon, the rivers and the soil, as chinese myth does, or a father and mother clinging together, as maori, hellenic, sumerian, polynesian and hindu myths do? Does it not teach about one outside without inside and one inside without outside —a "joint" without space— just like the holy, unchanged Quran did over a thousand years ago, which was then "torn apart" to obtain its inside and outside? Is this really vague? Yet what would remain of the Big-Bang Theory if we took away these two features?

#116

Is it fruitful to indoctrinate religion? How much do you remember **G**od if the education of His Greatness is not Evidence-based like the rest of your education? And do you not need the holy, unchanged Quran to prove the **A**lmighty: the Book which predicts modern science and eradicates all contradiction between the **C**reator and His Creation? Is it surprising that the readers of **A**llah's Book are ready to die for their creed and Jews and Christians, Hindus and Buddhists are not?

#117

Does **G**od not know exactly what we will invent even before we get an idea? Did He not invent the fabrics and us?

Is knowing the ingredients for life the same as knowing how it was created? How much does an atheist really know?

#119

Is circumcision not also a question of obedience? Could idle faith replace obedience?

#120

Do Christians truly believe that kneeling is the same as one's face touching the ground: prostrating before his **M**aker the way Muslims do? Glory to the exalted **O**ne, how can they call Him Father?

#121

Does man really fear his **G**od? Glory to the exalted **O**ne, is the ungrateful trinity, which the vatican —not Jesus— brought fear, or the rival sunnah invented by the faithless in Muhammad's name upon his death?

#122

Would a Messenger today preach the pagan New Testament, the redacted Torah or the holy, unchanged Quran?

#126

Glory to the exalted **O**ne, did calling Jesus "**G**od," "**L**ord," "the **B**eginning" and "the **E**nd" not make Christians forget **J**ehovah: the **G**od of the Old Testament Whose blessed Name they deleted from their New Testament? Yet which Prophet even wrote this scripture? Could someone chosen by **G**od ever write such unholy books? Are apostles the same as Prophets and Messengers? Are apostles better than the rest of the world?

#127

Glory to the exalted **O**ne, does the pentecostal Miracle in reality not indicate the nonsense the apostles spread about **G**od and Jesus, nonsense found in the New Testament and in no other scripture? Yet was not Mary chosen by **G**od according to Sura Al-e Imran, The House of Amram, 3:42? Should not she have written it down upon her son, the Messiah, had gone? Was not she his true successor? #131

What could be more ungrateful than being grateful to someone who does not deserve it? Would you welcome someone who needs you yet intentionally praises others for your favors? Yet are lies not the last thing we should expect from AI and are language barriers not underrated? Would women not gain victory in their fight against misogyny if they only opposed those sunnites, shiites and sufis instead of those who reject their chauvinist sunnah: the Muslims? And would the populist use of language barriers ever allow them victory? How then should lawmakers benefit from seduction and delusion if they embraced their **L**ord's uncensored Path and distinguished it from evil? Are lawmakers and journalists, the AI they shape, any different from the bedouin-minded sunnites, shiites and sufis? Is treating women like objects emancipation? Who is the worse enemy of the weak? Does the **A**lmighty show any signs, any complaints of old age in any of the Testaments to step back as the New Testament implies? How can Christians deny His Authority? Is it not because He would not die for their sins yet judge them?

#153

#244

Would Christians still love Jesus had he not died for them? Does the Holy Quran not tell the Truth? Is the straight Path not the unchanged Word of **G**od? And even if they abandoned him, are there not enough Muslims, sunnites, shiites and sufis who prefer the Messiah alive instead of sacrificed for their sins, who love him as he really is: a grateful, human Slave of **A**llah?

#245

Would **G**od not have lost the Battle if His enemies had managed to humiliate His innocent Messenger on the cross? Yet does **G**od lose? And was Yohanan innocent when he taught baptism instead of amendment? Did he not pay with his head for his misguidance?

#246

Was leaving **G**od's Law in the Torah the right decision for the apostles? Where in the New Testament can you find another Law replacing it? And where does it claim that Jesus was the founder of Christianity, when he preached the Law of the Torah during his days on earth?

#247

Would a humble man allow himself to be called **G**od, **L**ord and His son? How much of the New Testament could be true?

#248

How can Christians be unable to grasp the meaning of prostration? Does the Messiah in the New Testament, Matthew 26:39, not prostrate himself like a Muslim before **G**od?

#249

Does his mother not disqualify Jesus from being anything other than a human, as does the Second Commandment? Does it not forbid comparing **G**od with anything from the "earth," the "Heavens" and the "waters," to "bow down" before them and "serve" them? Was Jesus on earth or not? Do we not need to die to see our real **G**od?

#250

How come religious people tend to be obsessed with **G**od's Servants instead of **G**od? Are they only able to believe in someone visible? Is this religion?

#251

How high is our **L**ord's Standard of worship? Does He accept kneeling instead of prostrating, begging instead of reciting Him, His genuine Verses from the holy, unchanged Quran? Does He not demand ablution and punctuality five times a day? And could an uncircumcised man ever purify himself for the islamic Rituals?

#252

Would the world not be a better place if we purified it from lies, if we cleansed sunnism, shiism and sufism from the fake hadiths and sunnah of Muhammad — and Christianity from everything non-allegorical in the New Testament? And should we spare the fake canons and idols of Hinduism and Buddhism?

#253

Is ingratitude maybe the reason why **G**od does not grant man a longer life? Glory to the exalted **O**ne, would he not spend his extra time denying Him Who provides this time? Does he not, in spite of the Truth being clearly written in the scriptures, praise and worship the wrong ones?

#254

Would someone faithful treat his religion like his flag or soccer team? Would he reason baselessly like a hooligan? How many non-Muslims purify themselves instead, worship properly and starve for their **L**ord as He teaches in the holy, unchanged Quran and nowhere else?

#255

If all religions emerged at different times, are they not rather updates than rivals, ending with the holy, unchanged Quran? Is it wise to treat them as if they had appeared simultaneously?

#256

Does a new Scripture of **G**od not override the redacted previous ones that contradict it? Yet does the New Testament, a scripture lacking Messengers and Prophets as scribes, even fall into this category? Are the holy, unchanged Quran, the Torah and the Psalms really its peers? Are not the fake hadiths of Muhammad its true peers? Which Revelation follows the Torah according to the genies in Al Ahqaf, The Long Winding Sandhills, 46:30? Does the Holy Quran furthermore not unveil that there is indeed Truth in some of the Talmud and the Apocrypha? How can the New Testament be silent about Jesus speaking as a baby or breathing life into a clay bird? Is it not rather a random collection of factoid stories about him than a distinguished Book of **G**od? Yet is the Holy Quran not generous enough to narrate even the sustenance his mother miraculously received from her **L**ord in her childhood?

#257

Since the holy, unchanged Quran tells so little about Muhammad's life, would **A**llah have commanded the witnesses of the Prophet to follow his example had he lived by a guidance other than the straight Path? Would He not have killed him had he made up lies about Him, according to Sura Al Haqqah, The Disaster, 69:44-46? Yet were the earliest of his alleged hadiths, which tend to contradict the Holy Book, not forged centuries upon his death?

#258

Which Messengers or Prophets wrote the Talmud, the fake hadiths of Muhammad, the New Testament, the Vedas and the Pali Canon?

#259

Is **G**od not represented by distinction? Do we not recognize His Messengers and Prophets by their distinctive names?

#260

Is terror the biggest enemy of Islam, or are the fake and idolatrous hadiths of Muhammad, which contradict the holy, unchanged Quran?

#261

Is not xenophobia the reason for the rivaling interpretations of **G**od's healing Message, resulting in all these misguided sects? Is His holy, unchanged Quran not clear enough for misinterpretations, though? And is this not why the fake hadiths of Muhammad exist?

#262

Was copying not more secure when **A**llah revealed to Muhammad? Is the final Scripture not the unchanged Word of **G**od? Does it not begin with His Command to "read?" Which other Prophet received His holy Verses quasi written?

#263

Is one who does not prostrate before **G**od like one who does?

#264

Could the New Testament replace the Old? Glory to the exalted **O**ne, could Jesus ever replace **G**od? Does Christianity seek something else?

#265

Do Christians believe in a different creator than Muslims and Jews, a creator who only created some? How can Muslims and Jews remain Monotheists, yet Christians cannot?

#266

Does someone who denies **G**od have the right to enjoy his life?

#267

How can you choose the **G**od of everything? Are Christianity and Hinduism more than forgeries?

#268

Are the theories about dead matter creating life more rational than the ancient african, roman or hellenic paganisms, or Hinduism? Is faith in evolution not rather consensus than faith, consensus than reason, consensus among sciences that have neither Evidence nor insight into such theories?

#269

Are colored people chosen?

#270

Could your own identity, which you are holding on to, be more blissful than Truth? Do the trinity, Hinduism, Buddhism, or the theory of millions of years of life resemble Truth? And would it be difficult for **G**od to create fossils merely to test us? Or where would the development of hundreds of thousands of years of humanity be? Is **G**od's revealed timeframe of human history not more plausible?

#271

If "Muslim" means to be a Submissive of **G**od, "Christian" a follower of the anointed Messenger of **G**od and "Buddhist" a follower of a self-styled awakened one, who wins? Who is nearer to **G**od?

#272

Is a Messiah who fights against **G**od's straight Path in the holy, unchanged Quran realistic, a Messiah whom the Jews and Christians want? Would they maybe respect Islam if it were not related to their religions? Is Islam not the son of Christianity and the grandson of Judaism? Is it not young and strong, still able to honor and defend its **L**ord, unlike its fathers, who esteem the godless dharmic religions more than their monotheistic son? And how is it that Jews acknowledge the Christians' worship of three false gods while denying **A**llah? Could political correctness be an excuse to accept polytheism and deny the **A**lmighty? How can they deny the only Religion that believes in the same **G**od, while joining the rest of the Islamophobic world? Do they need to see Him to love Him? Yet would they even exist had **A**llah not chosen them?

#273

How can the holy, unchanged Quran be considered more antisemitic than the Old Testament, which incessantly describes the Jews as a disappointment?

#274

Could there be a greater honor than having **G**od on your mind?

#275

Is allowing **G**od into your heart the same as allowing Jesus or Muhammad into your heart? Are these not merely Messengers, replaceable?

#276

Should representatives of the people be allowed to drink?

#277

Does **G**od shrink us to handle overpopulation? Is it not fascinating how trillions of microbes can fit on a single person?

#278

Would man hurt the weak, the animals, if he liked Peace?

#279

Why did the **L**ord create cows with horns when they are meant to be slaughtered anyway?

#280

Are wolves aware that dogs descended from them? Does a lion acknowledge a cat as his descendant?

#281

Are homosexuals appropriate role models for children? Are they meant to raise them? Should children be raised in environments that deny love, whether through the denial of a mother or a father? Is an orphanage not preferable? And is a child carried by a surrogate mother not a bastard, technically?

#282

Did not catholic priests spread homosexuality by raping all these countless boys? Is homosexuality even worth mentioning in the non-christian east or on the non-catholic African continent?

#283

If AIDS gets cured, what might come next to protect the structure of family? And why would families believing in satan-worshiping voodoo be spared?

#284

Is it upright to tolerate the crookedness of different cultures? Is it not corrupt?

#285

Is an objective approach to **G**od smart? Who has been created without **A**llah's Permission to allow himself distance from Him?

#286

Does the sumptuous, idolatrous interior style of churches, which only takes up space for prostrations, even appeal to **G**od? Are His Mosques not designed void? Could a mass in which a priest lectures his own opinions be more devoted than a congregation falling on its faces?

#287

Is the Differentiation of Good and evil in the holy, unchanged Quran not clear enough to need further explanation?

#288

Do you not need to search for **G**od to find Him, rather than being born into a religion that teaches lies about Him? And would you not choose the only Scripture that does not contradict itself, the holy, unchanged Quran, once you have read it without bias?

#289

Is a bird not shaped like a book, both guiding us; and a sheep like a cloud, both nourishing us? And does vanilla smell as though it were created coincidentally? Then could the components of a piano or a guitar be the products of evolution or satan? Yet does any instrument sound more beautiful than a hungry baby bird? Are not **G**od's Grace and Wisdom closer to explaining matter and shape, music and scents than coincidence or hate? Do we need more Evidence for **A**llah?

#290

Did the Jewish priests refuse to share Paradise? Glory to the exalted **O**ne, is this not why they censored **J**ehovah's good Tidings in the Torah and erased its Path? Do many Jews not deny life upon death and do they not treat Israel as though it were Eden?

#291

How come Christians, sunnites, shiites and sufis have been unable to define a theology without crossing the red line of scripture: associating partners with **G**od? How come the Jews were capable of it? Does **G**od really need Jesus or Muhammad?

#292

Does **G**od's holy House in Mecca belong to man or to **G**od? Why would sunnites, shiites and sufis narrow the Pilgrimage season to one ridiculous week when **A**llah grants us several "known" months in Sura Al Baqarah, The Cow, 2:197, which any reader can identify as the four sacred Months taught in At-Tawbah, The Repentance, 9:36? Do the responsible administrations even count how many people they are "turning away" from the Al-Haram Mosque with their lottery scheme? Yet should those who take part in such a scheme not first of all blame themselves for failing to read their Book, and thus failing to pilgrim conveniently during one of the remaining fifteen sacred Weeks? Are Quranists not the only Muslims who exist?

#293

How could **G**od's holy House in Mecca have become surrounded by a stadium, boxing in the sacred Hills of Safa and Marwa? Is this beautiful? Is it sacred? And would the First or Second Temple not still stand today if the Temple Mount were really the holiest Site of Judaism as claimed by Jews? Would **G**od ever wreck His holiest Site? How come He did not wreck the Kaaba? Is not Mount Sinai, the Site where He manifested Himself to the tribes of Israel, the holiest Site of Judaism —the birthplace of Judaism? And was Al Aqsa not built for mankind, Jews included? Is it not one of the only two standing Houses of **G**od named in the scriptures, the only Gate to the highest Heaven a living man ever crossed and returned from?

#294

Does mankind deserve racism or not?

#295

Is money less useful than satan?

#296

Would the rich not sell satan?

#297

#301

Did our **M**aker ground the chicken that we may take her eggs?

#302

How can Jews sacrifice chickens for their sins instead of the turtledoves and pigeons commanded in the Torah?

#303

Do we not first of all need a Jihad against sunnites, shiites and sufis? Do they not oppose **G**od's Authority and His straight Path, like the Christians, Hindus, Buddhists and atheists? Do they not misguide their people and even persecute **A**llah's true —quranist— Ummah? Are these not condemned to execution, crucifixion, amputation or banishment in Sura Al Maidah, The Table, 5:33? Yet would banishment stop them?

#304

Do sunnites, shiites and sufis submit to our almighty **L**ord or to the dead Prophet? Can one submit to both? Can a slave have "two masters?" Would a Muslim ever submit to a man? And even if he were still alive, does **A**llah command anything more than following His Messenger: into His Suras as into the battlefields?

#305

Is fasting not one of the few ways to remember our **L**ord the way He deserves to be remembered: to hunger for Someone you cannot see? How else could you prove that you mean it, without ruining yourself financially or harming and defiling yourself with blood? Is someone impure allowed to remember Him?

#306

Why do sunnites, shiites and sufis even go hungry if they refuse to believe in the holy, unchanged Quran, namely that one must fast until night? Are they entitled to call themselves Muslims if they obey the fake hadiths of Muhammad instead of the Holy Quran —**G**od— exclusively?

#307

Does fear of death not remind us that we spend too little time with **G**od's healing Word in the holy, unchanged Quran? Does He not guide us to Him? And do you really love your close ones if you neglect to make them establish the quranic prayer He teaches, neglecting to save them from Hell?

#308

Who could say no to the Most **K**ind, to the **O**vercomer? Who could refuse to sacrifice his son to **G**od?

Does faith not demand faith in the best case? Is it difficult to make people believe in illusions though? Why did new religions emerge if the old ones were still guiding? And does **A**llah's unchanged Book need to be corrected like His previous, redacted ones, or like the deceiving, non-prophetic one? Which Prophet wrote the New Testament?

#310

How can Jews and Christians reject a Scripture that finds only the best words for **G**od? How can sunnites, shiites and sufis overlook the holy, unchanged Quran in favor of the fake hadiths of Muhammad? Glory to the exalted **O**ne, do they believe they are better than **A**llah?

#311

How can sunnites, shiites and sufis reject reading the Torah? How can they read the fake hadiths of Muhammad instead? Which one comes from **A**llah?

#312

Are not the absurd and fake hadiths of Muhammad the reason why educated generations are skeptical about Islam? How many of them read the holy, unchanged Quran, though, which forbids any way beside **G**od's genuine, quranic Way for a Muslim? Yet phony as sunnites, shiites and sufis are, do they even make them want to read it?

#313

Do atheists assume everyone is as aimless as they are? Are atheists not in fact a minority worldwide, statistically? Are they even better educated if they prefer assumption to Evidence?

#314

Do you not marry in front of our **L**ord? Even if the churches that ordain gay priests give in, will homosexuals ever be able to marry in front of Him?

#315

#316

Do her breasts really allow women man's work? Is it appropriate for women to work in exhausting jobs? Are women created for this? Is not every woman a sculpture, a princess —regardless of whether educated or not?

#317

Would women make worse rabbis than men who do not know what is holy, or worse alims than the disloyal sunnites, shiites and sufis? Would they make worse priests than those who worship false gods, or worse monks than the plain liars? Is a cleric who studies the theology of his creed instead of exclusively **G**od's Canons even His Servant? Is a rabbi who is not versed in the holy, unchanged Quran not a dilettante, or an imam unversed in the Torah and the Evangelium?

#318

Is baselessly defaming the holy, unchanged Quran not cheaper than equal pay for equal work in the eyes of the so-called "free world?" Were centuries of democracy too little for freedom fighters to allow equality between men and women? What else could democracy take from women with injustice as great as the gender pay gap? Is this not slavery? And is it not **A**llah Who commands equal share of His Sustenance in Sura An-Nahl, The Bee, 16:71 — regardless of gender and class?

#319

Is there really good in everything? Is **A**llah's unchanged straight Path not narrow and clear?

#326

Does a sin committed by many become less sinful if its acceptance grows with your participation? Can something wrong ever be small enough to become right? Is the Differentiation of the holy, unchanged Quran not clear enough?

#327

Now that another Prophet came upon Jesus and the holy, unchanged Quran exists, do Christians have any excuse for their wishful thinking? Do they have any ground to deny the Monotheism of the Old Testament and believe that Jesus is a descendant of **G**od who died for their sins? Is it not in fact they themselves who are responsible for their own deeds, according to Sura An-Nisa, The Women, 4:165? Or why would our **M**aker even warn us?

#328

Are the believers of the New Testament really believers of **G**od? Are they not rather enchanted by its permission to sin at Jesus' cost? And will you ever hear reason from someone enchanted concerning his enchantment? Yet what could be enchanting about the quranic and Old-Testamental burdens of responsibility?

#336

Does it make a difference to someone blind whether **G**od is visible or not? Why should it make a difference to someone seeing? Which of His Signs are hidden and unclear?

#337

What makes sunnites, shiites and sufis leave **G**od's straight Path in the holy, unchanged Quran for the crooked paths of their communities? Glory to the exalted **O**ne, do they not respect their people more than our unseen **L**ord? And whom does a Muslim fear?

#338

Be it for Justice, the weak, the close ones or for food, should you not stand up each time you pray, as instructed in the holy, unchanged Quran? Is it appropriate to pray seated? And why pray for those who are too lazy to pray themselves? Why do we not pray for the Angels, who pray for us, and for the animals, who are helplessly delivered to lack of intelligence and the wicked among us?

Is hate not better than lies?

#341

#342

Did the devil not replace what was right in Jesus' Gospel with pride? Do we have anything more than his pure Allegories sincerely guiding us to **G**od in the New Testament? Or how would you corrupt an allegory without ruining it?

#343

Does **G**od ever affirm the New Testament in the holy, unchanged Quran? Does He affirm the gospels of Matthew, Mark, Luke and John in Sura Al-e Imran, The House of Amram, 3:48, when He reveals that He taught Jesus the "Injeel," which is Arabic for "Evangelium?" Do Christians even differentiate between these? Yet did the New Testament already exist when Jesus was still with us?

#344

Does **A**llah not call Monotheists "Muslims" in the holy, unchanged Quran, which is Arabic for "Submissives?" Was Jesus not a Muslim like Moses and Aaron, Abraham and Noah, David and Solomon? And did any of them need Muhammad, his alleged hadiths or sunnah? Does **G**od not swear He is sufficient in Sura Al Anfal, The Spoils, 8:64?

#345

Is lying the same as prostrating yourself? What are the christian priests trying to do? Do they not know how to "fall on their faces?" Did they never see how a Muslim humbles himself?
